Baby Bottle Campaign

Today is National Sanctity of Human Life Day. One of the best ways we can protect unborn lives is by bringing into the light the darkness of abortion, and supporting local pregnancy help organizations who daily reach women and families with messages of hope and life. During the month of January, Redland Church is collecting funds in support of Davie Pregnancy Care Center. Special baby bottles are available in our lobby for collecting cash, checks and coins. Pick yours up today. Please return those by next Sunday, January 29. Thank you in advance for caring and for your giving!

Accelerant - Prayer Reminder

We have a great group of young people and chaperones headed to Accelerant 2023 this coming weekend. The bus will be pulling out on Thursday, so we're reminding you to be in prayer that the blessings of the Lord will be on them and that it will be a life changing weekend for them as they gather to seek the Lord and experience His hand on their lives.

New Members

On Sunday, February 5, Redland will be receiving New Members. If that's a commitment you would like to make, just stop by the Welcome Desk and let them know and a staff member will be in touch with you.

Hospice Volunteers

One of our new opportunities for service is with a hospice organization that ministers in our area. They will train you for direct care opportunities, or you can be a part of other special projects to bless and support those who are under hospice care. If you're interested or want more information, reach out to Becky Pierce or let them know at the Welcome Desk!

Davie County Teacher's Supply Closet

Redland Church is excited to be home base for the Davie County Teacher Supply Closet. This closet is a special initiative by a group called Empower Davie Youth. Often teachers will spend their own money to buy school supplies for students, but, with the closet, teachers can place an order and get needed supplies for their students without cost to them. Redland houses the closet, and wonderful volunteers from Empower Davie Youth collect supplies, organize, fill orders, and deliver to teachers. They have a special need right now for hand sanitizer and tissues. If you'd like to donate, you can leave items in the special bin outside our offices or leave them at the Welcome Desk marked "Teacher Supplies". We want to be a church that serves and supports others who serve.
