Baby Bottle Campaign

Today is the day we're turning in the money we've collected to support Davie Pregnancy Care Center. This is a local ministry that works to make a difference on the front lines where mothers make tough decisions regarding their preborn infants. If you forgot your baby bottle offering today, just bring it as soon as possible so that we can pass along the funding to this important ministry. We honor them for their heart to make a difference.

Redland Kids & Redland Students

Next Sunday, we'll be highlighting Redland Kids and Redland Students. We'll have all the same opportunities for prayer, worship and the Word but our children and youth will be stepping into action in that service. You don't want to miss it!

New Members

We'll be receiving new members as part of our service next Sunday, February 5. If that's a commitment you would like to make, just stop by the Welcome Desk and let them know and a staff member will be in touch with you. You can also let us know by calling the church office or signing up on our website, rphc.net.

Davie County Teacher's Supply Closet

The Davie County Teachers' Supply Closet is currently needing donations of hand sanitizer and tissues. If you'd like to donate, just leave items at the welcome desk marked "teacher supply" or in the specially marked bin outside our offices.

Administrative Council

We're so grateful for those who serve Redland Church as part of our Administrative Council. We currently have one member who will be completing their time of service soon. If you know of a church member that you'd like to nominate to serve, just turn that name in to a member of our staff or a member of the current Administrative Council by February 12. Thank you for joining us in prayer that the Lord will lead us as a church body in all our ways, and that we can bring glory to Him by fulfilling His plans for us.
